Jeff Mackler djmack@embarqmail.com

After buying a new camera, I no longer have a use for these items.
If you would like to purchase any of these camera accessories, please let me know.
Thanks!
Wink

1. Canon Ultrasonic EF17-40mm f/4L USM wide angle lens with Lens Case and Lens Hood. In box with Instruction Manual. Bought from B&H on 12/16/07 for \$629. Asking price, \$525
2. Canon CAFAC Angle Finder C (New Camera has Live-View capabilities) Bought from B&H on 8/21/08 for \$179.95. Will sell for \$150. In box.
3. Canon 500D Close-up Lens--77mm. New and still boxed (a duplicate given as a gift). \$140
4. Delkin DVD BurnAway--A multifunction portable device used as a stand-alone backup system to copy data from flash memory cards onto DVD-R, DVD-RW. CD-R, CD-RW etc. Will connect to a TV or Projector for viewing digital photos or slide shows. Remote control and cable included. Also works as a portable DVD and MP-3 player. In box with all accessories and instructions. Simple to use for CD burning and backup. (Bought from a local camera shop in December 2007). \$200
5. LowePro Micro Trekker 100 Back Pack (black) for Digital or Film 3-lens outfit. (Bought from B&H for \$50 and used twice). \$30
